For more than fifty years has PERRY DAVIS' PAIN KILLER stood the test against all remedies prepared to eradicate pain, and today stands at the head of the list among the medicines that are so essential to keep at hand in the home.

It is not a new fangle remedy nor do the proprietors lay claim to any wonderful revelation of the ingredients that enter into the manufacture of this ever popular remedy.

It is perfectly harmless, you need have no fear of becoming habitually inclined to its use. For Colic, Cramps, Dysentery, Colds, and all painful affections, a few doses will certainly give relief. You cannot afford to be without a bottle in the house.

Your forefathers used it and found it beneficial.

Why experiment with some remedy that is new and its effect on the system unknown?

It has many rivals but no equal.

The new 35c. size contains over double the quantity of the 25c. size.

## AN ASTRONOMICAL LECTURE

Mr. Byrde On Sun, Moon and Stars With Lantern Aid.

Large Audience Well Pleased—Proceeds to Buy a Press—Lecturer to Preach the Gospel in China.

The main hall of Iolani school was filled yesterday evening on the occasion of the illustrated lecture on Astronomy by Rev. L. Byrde of Hawaii. A string of Japanese lanterns marked the way from the gate and inside the hall there was abundant light and some decoration, in the way of bunting and a few flags.

The lantern was set near the middle of the room, and the views were projected upon a screen only a short distance away on the rear wall. R. J. Fenn, principal of the school, manipulated the slides, greatly to the assistance of the speaker. The subjects included sun, moon and principal planets, with a few stars near the end. Mr. Byrde showed a mastery over his topic, and his remarks were both instructive and interesting. Besides the ideas of the speaker were explained in such a way that the smallest schoolboy in the room understood clearly.

The proceeds of the lecture will go into a fund for the purchase of a new printing press for the school. The old one still performs its duty, but is indeed an old fashioned affair, is clumsy and hard to handle. With the cash realized on this occasion and a sum that may come in from a future entertainment the boys will be able to fix themselves up in excellent shape.

Rev. Mr. Byrde will shortly leave for China. His first stay will be at Shanghai, where he will study the language, the people and the wide field before him. Then he will sail for home. In England he will receive his permanent appointment. It will be some interior field, but no one yet knows where.
